## Study Programme

### Horses and Heritage of Saxony

July 6<sup>th</sup> to 11<sup>th</sup>, 2020

## PRELIMINARY PROGRAMME

### Monday, July 6<sup>th</sup>

Introduction and **symposium on horses in history** at Dresden Museum of Transport, which is located in the former Royal Mews, an impressive Renaissance building in direct proximity to the city palace. From here we can enjoy the view on the stable courtyard, for centuries a site of tournaments and equestrian activity.

**Dresden city tour** with focus on places of interest for our subject, such as the Procession of Princes, known as the largest porcelain artwork in the world depicting the ancestral portraits of the 35 margraves, electors, dukes and kings of the House of Wettin between 1127 and 1904, all on horseback! We will also see the famous “Zwinger”, which was originally intended as arena for equestrian festivals, the new royal mews and the “Golden Rider” monument to August the Strong, King of Saxony and Poland (1670 – 1733).

### Tuesday, July 7<sup>th</sup>

Bus tour to Torgau on the Elbe.

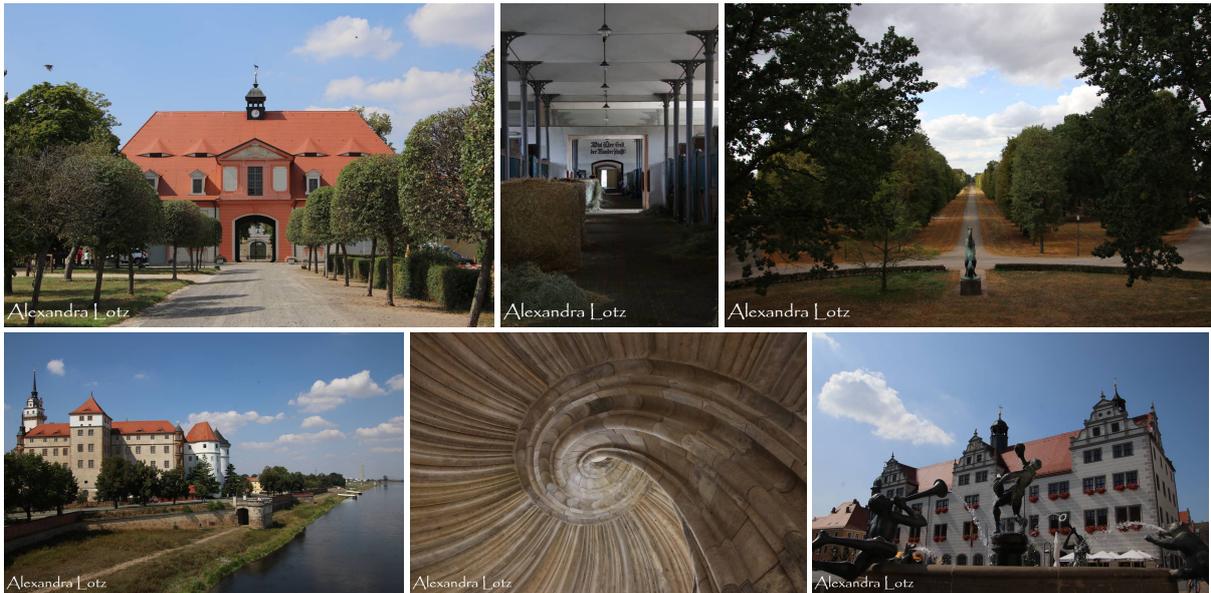

Visit of the **Saxon State Stud Graditz**, founded in 1686 as courtly horse breeding institution.

Guided tour at **Hartenfels Palace** and **Torgau**, a city of Renaissance architecture and important sites of Protestant history.
